**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Save the competition, its how our country runs well. Smaller companies are more attentive to my needs. They should still have access to copper wires, etc. Local broadband companies are essential in rural communities. Just no to price hikes that will increase the cost of internet servicers
